

COMPTON DANDO VILLAGE

WELCOME TO COMPTON DANDO

Whether you own your home in the village or whether you are renting, you are most welcome to our community. If you would like to be kept advised of everything which is going on in the area, please give your name(s), address, email address, `phone number(s) to either:

Alison ter Haar, who sends round a monthly email for events happening in the 5 villages of the Parish. acterhaar@gmail.com 01761 490903 and/or Sarah Wilson, Neighbourhood Watch sarahwilson@comptongardenflowers.co.uk 01761 490448

We are a small village of some 120 dwellings. This makes for a close-knit and friendly community which always gives support to anyone who needs it. We are all also very happy to offer a helping hand to new residents to help you find your way around or obtain information. We hope you will enjoy your residence here and will join in our village life.

The Pub – The Compton Inn

The pub runs a monthly Quiz, usually on the first Monday of the month, and proceeds are donated to charity. In the Compton Inn is a large scale map of public footpaths and other rights of way in our area which you may find useful.

The Church

The village boasts a beautiful church, St. Mary the Virgin, which dates back to the 12th century although the current building is of 14th century origin. For further information, there is a booklet available in the church (voluntary donations to church funds welcome). You should receive a Parish Magazine 10 times per year in which you will find all Church contacts, and service info, or visit Village Website. There are books describing our village and most of the houses.

Although they are out of print now, there are plenty of people who would be happy to lend you copies, or you could borrow them from the library in the centre of Keynsham. The church also has a quarterly working party to help keep the church grounds in good order and offers of help are gratefully received – the provision of free coffee and cake is the reward!

Church Teas

The church runs afternoon teas throughout the summer months on a Sunday afternoon between 2-5 from the end of May Bank Holiday, through to August Bank Holiday Monday. This is run by volunteers in the village, and they are always looking for offers to help.

Village Association [CDCA]

We have a Community Association which organises various events for all ages from the youngest baby to the oldest resident. These include trips out for lunch or places of interest, an annual quiz, village walks, murder mystery evenings, village days, litter-picks, picnics and the ever popular free monthly coffee mornings [alternates monthly Sat or Tues] plus much more. We meet a few times a year in the church and all are welcome to attend/make suggestions, etc. See the village Website for dates: <http://compton-dando.org/> or visit the village Facebook page.

Village Website

The village website is www.compton-dando.org [worth looking at Archives]

Village Facebook page

The village Facebook page can be found by searching 'Compton Dando'. It is a community site.

Village WhatsApp Groups

There are two: Urgent and Non Urgent – contact Sarah Wilson or Matt Jones to join sarahwilson@comptongardenflowers.co.uk m.d.jones217@hotmail.com

Noticeboards

Opposite the pub and a Parish Council one outside the hall.

Oil Delivery Group

Compton Dando Oil Group CDOG cdogterhaar@gmail.com is an oil buying group which combines with the Chewton Keynsham group to purchase heating oil once a month (alternate months in the summer, missing May, July, and September). By this means we save 2-5p a litre, and the villages have less traffic as one, or two, bowsers come through with all the month's deliveries for members of the Group. There are no fees for membership of the Group, which is run on a voluntary basis. Just send your order (minimum of 500 litres), specifying the amount that

you require, on the 1st of the month to cdogterhaar@gmail.com, and the oil will be delivered a week or so later. Please also provide your full postal address including postcode, a daytime contact phone number, and any special instructions about accessing your tank.

Broadband

Truespeed, BT and TalkTalk provide gigabyte fibre-to-the-premises in the village. They have various levels of package. Check <https://www.broadbandchoices.co.uk/>

Flood Watch for the Parish Hall

There is a Facebook page for this as the hall has been known to flood during very heavy storms in the past. Work has been undertaken recently to alleviate this, but there is still work done by volunteers to keep the stream clear of debris.

Compton Dando Nomads Cricket Club

The club approach is to have fun and maintain their average of one victory a season. We don't play in a league, just against a few other like-minded village teams. The team comprises a mix of abilities and ages: there is an ambition to field a team aged between ten and seventy five. The fixture list is not onerous: no more than ten games a season including a Colts vs Vets game and if you only want to play a couple of games that is fine too. So if you have not played since school or just want to play friendly village cricket, do get in touch. The season starts in April. Contact Ben Wall on 07941 222662 or bwall027@gmail.com

Classes in the Village

There is an **Art Group** on a Wednesday morning in the hall - contact Sonia Priest 01761490551

Yoga with Sam Roach on Wednesdays 6.30-7.45 07814536364

There are **Table Tennis** sessions on various Thursday evenings and Sunday afternoons in the hall - contact Richard Davis 01761490727

Gentle Fitness Pilates with Sam Crease on Mondays 11-12

Samantha@gentlefitness.co.uk

Straight into Compton. For those who like to play music, the Compton Dando music group meets on alternate Thursdays at 2pm in the Hall. Anything from Harvest Hymns to Jazz. Contact David Brunskill 07767760498

Annual Fete

In the field below the Church on the first Saturday in July.

Parish Council CDPC

The Parish Council representing the villages of Compton Dando, Chewton Keynsham, Woollard, Queen Charlton and Burnett meets monthly, on the third Tuesday, and all are welcome to ask for items to be included in their deliberations. Parish Clerk is Sue Smith (comptondando-parishcouncil@outlook.com). Villagers on the Parish Council are Hannah Maggs, Tony Butler and Barend ter Haar. The CDPC website comptondandopc.org.uk includes village histories, local walks, the 'Parish Plan' [packed with interesting information], planning applications, meeting minutes, useful links, etc.

Parish Hall

The Parish Council is also ultimately responsible for the Parish Hall which was restored and improved in January/February 2015. To book the Hall, please contact Ian Collings comptonhalluk@gmail.com

Hall Lottery

If you would like to support the parish hall for £1 a week with a chance to win £25 then please contact Harriette Dottridge, Claytiles, Bathford Hill, 01761 490445

or hdottridge@hotmail.com and she'll sign you up. It is based on the Saturday Lotto bonus ball. You choose an unallocated number between 1 and 59, pay your subscription, have a chance to win the weekly £25 prize, and support a village institution.

Walking

There are many walks around the village, both through fields and through woodland. The best way to get to know these is to ask one of the village dog owners, of whom there are many, to take you on a few. The Community Association does have a leaflet showing some of the walks and there is a map in the pub. You can also access local footpath maps on comptondandopc.org.uk/walks and maps for Somerset on www.walkinginengland.co.uk/Somerset

Reporting problems on footpaths: contact PROW@bathnes.gov.uk

Rubbish Collection

Household rubbish – **Black bin** - is collected every second week, as is **Green Waste** [paid for service], on the alternate Wednesday. They do not collect green waste all year round. **Green bin** - Garden waste from grass cuttings to hedge trimmings, plus biodegradable animal-bedding

Recycling is collected weekly, early on a Wednesday – kitchen caddy, cardboard in blue bag, and green boxes.

What goes where rules:

Green boxes: Paper [no glitter], greeting cards, glass bottles, plastic packaging (solid plastic bottles, pots, tubs, and trays to contain food and drink – but **NO black plastic, plastic bags, film, or polystyrene**), cans, aerosols, metal packaging, and foil, unbroken spectacles, oil filters, **PLUS, if placed inside a plastic bag**, small batteries, textiles, footwear, small electrical items, printer ink cartridges PLUS engine oil if in a sealed container.

Kitchen caddy: Food, egg shells, bones, tea bags, coffee grounds

Blue bag: Cardboard [folded down], brown paper, and food or drink cartons

Items BANES DOES NOT TAKE - For example, Tesco in Keynsham has carts just inside the doors for soft plastic film such as crisp packaging, and plastic bags. Waitrose has a receptacle for plastic bags. Superdrug pharmacies in Bath and Knowle will take back empty foil covered plastic pill packs.

Provision for collection of other potentially recyclable items is being worked on – please visit the Compton Dando website for current information.

The Terracycle website is a good place to check for recycling www.terracycle.com

In addition, at the monthly coffee mornings in the Hall, boxes and bins are provided for you to drop off your – **clean** – items to save your needing to make trips just to recycle items elsewhere: soft plastic film [including biscuit packets, crisp packets, animal feed pouches, clingfilm] foil covered pill packs; pens; contact lenses; used inhalers; toothpaste tubes

Recycling centre: Pixash Lane, Keynsham, Bristol BS31 1TP You should have a paper copy or digital copy of a utility or council tax bill to give proof of residence. Trailers and vans need a permit. Building materials, tyres, large electrical items, garden waste, books, CDs and DVDs, general rubbish, scrap metal, bikes. Sat 9-3.45, Sun 9-1, Mon-Fri 8-4.15 winter times may vary.

Note: You can order a large waste item collection from BANES for items that you cannot get to the recycling centre yourself.

Zero Carbon Compton [ZCC]

In a survey of the villages in 2020, there was broad agreement towards our trying to make Compton Dando zero carbon by 2030. To this end renewable energy options are being investigated alongside other initiatives. For further information, contact Clive Howarth clivehowarth@gmail.com or Matt Jones m.d.jones217@hotmail.com

Village Businesses

Compton Garden Flowers

Sarah & Bob Wilson run a small flower farm from the field next to 208 Court Hill. Flowers are grown for cutting and available most of the year, main season April to November. Visitors are always welcome; just call to check we are around, we can also provide posies or bouquets on request. Just call Sarah on 07836 201611.

Fairy Hill Market Garden

A good mix of seasonal vegetables lovingly grown using nature-friendly farming techniques, all by hand. We believe that small scale local food systems are more resilient and can have a huge benefit on local wildlife as well as the surrounding community. The market garden is small scale, no-dig, and organically grown: this farming practice nurtures the soil and protects our crops. Instagram - @fairy.hill Contact - fairyhillmg@gmail.com
